Accreditation Services

Not only does the Missouri Institute of Mental Health’s Center for Prevention, Outreach, and Professional Education provide high quality, accredited training programs; we also can certify other organizations’ programs. We can accredit:

- Live trainings
- Web conferences
- Web trainings
- Enduring trainings

The following information is required eight weeks before planned announcement:

- The name, date(s), facility and location (city) of the program
- A statement of objectives (2-4)
- A rationale of program (2-4 sentences)
- The names of speakers and a vita for each
- The complete program schedule, including the title of each presenter’s talk, exact time for each session, as well as breaks, meals, etc.
- A complete list of planning committee members with titles and affiliations
- The contact name, address and email

Additional requirements:

- Along with your organization, the Missouri Institute of Mental Health should be listed as a co-sponsor of the program
- We will provide specific accreditation language and contact information that must be printed in the flyer/brochure

Accreditation Information:

- Our credits are University-approved Continuing Education Units (CEUs) issued by MIMH
- Most professional licensing boards in Missouri accept our CEUs. Please check http://pr.mo.gov/professions.asp for additional details
- Most out-of-state licensing boards also accept our CEUs. For additional details, please check your state’s requirements

Cost of Accreditation:

- We charge a base fee of $450 per program
- Additional charges may be incurred for accrediting a series of recurring programs
- We also charge postage incurred for mailing certificates (emailing is done at no extra cost)
